Note: This information will help us publicise your proposal, and respond to enquiries from the wider community about your intentions.

(i) the Fairford Neighbourhood Plan (NP) will support the CDC Local Plan - Preferred Development Strategy and be guided by the NPPF.

The Neighbourhood Plan will be used to inform, identify and communicate the needs of the local community. the priorities for Fairford and the development aims of the Town Council for the next 20 years.

Fairford has been identified by CDC as being able to accommodate 260 new dwellings in the planning period to 2031. Of these 175 are are already committed and 85 remain to be found. However Fairford is the target for a number of large scale development proposals, and the Town Council would like to influence the pattern of growth in the town.

(ii)The NP will aim to:

- 1. Identify the scale, mix, design and location of any future developments in line with the overall total of 260 dwellings identified in the emerging CDC Local Plan, rather than rely on developer proposals.
- 2. Propose the timing of the remaining 85 dwellings to be built in the planning period to 2031
- 3. Identify potential for retaining and increasing business, retail and commercial opportunities in Fairford and associated employment
- 4. Identify and promote potential tourism assets
- 5. Identify and preserve open spaces and conservation areas
- Improve transport links with Lechlade, in particular a 'multi-use path' between the two towns, and further

Informative:

While Neighbourhood Planning is designed to empower communities, and to enable them to develop policies and proposals they deem locally appropriate, Neighbourhood Plans need to be in general conformity with the Local Plan and national planning guidance.

7 Declaration

I hereby apply to designate a neighbourhood area as described on this form, the accompanying map, and any supplementary documentation I have supplied.
